CASE NO. IPC-E-13-22

SNAKE RIVER ALLIANCE'S
MOTION TO WITHDRAW

Pursuant to the Idaho Public Utilities Commission's Order No. 33030, The Snake River Alliance moves to withdraw as a party in the above-captioned matter. The name and address of this intervenor is:

Snake River Alliance
Box 1731
Boise, ID 83701
208 344-9161 (o)
208 841-6982 (c)

The Snake River Alliance is represented in this proceeding by Ken Miller. Correspondence in this docket can be sent to the above address or via e-mail to: kmiller@snakeriveralliance.org

The Snake River Alliance's primary concern in this docket dealt with the possibility of modifications to existing contracts between Idaho Power and entities with which it has signed contracts during the course of modifying wind integration charges. The Commission's Order No. 33030 indicates at P. 8 that, "While we decline to make a premature substantive finding on whether it is legally permissible to modify existing contracts, we find that it is fair, just and reasonable to only apply changes prospectively. Therefore, we clarify that any Commission approved modifications to Idaho Power's wind integration rates and charges will only apply prospectively – to new contracts as they are entered into by the parties and submitted to the

Commission for approval. This clarification should alleviate the concerns of many intervenors to this case.”

The Alliance therefore requests that the Commission grant its request to withdraw as an intervenor in this case.

Respectfully submitted,

Ken Miller
